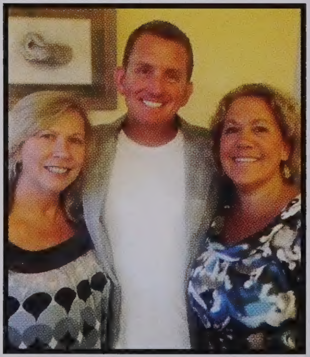
In Dedication to Mrs. Bilbo

loved beyond measure



I would like to thank Paula for her timeless dedication, loyalty, energy, inspiration, knowledge, love, compassion, passion and spirit that she has given to Bay High and me personally over her time as counselor here. Paula - you have been a larger asset than I think you will truly ever know and I appreciate you more than words.
-Amy Coyne

You will be missed and we hope that you will come by (often) to visit. Best of luck in this new chapter of your life...I hope it is a great and wonderful journey! You deserve it. xxxooo
-Dottie Sjostrom

Paula is one of a kind. She handles every situation with class, and she usually says something to make me laugh. I will miss her and I know the kids will miss her, as well. Thank you, Paula for all that you do!
-Megan Monti

Words cannot express how thankful I am that I have been able to work beside and learn from Paula. She is an amazing mentor, counselor, person and friend. We are truly losing a great asset and I sure wish she would change her mind :) Lots of love and well wishes!
-Danielle Loper

There are no words to express the love and admiration I have for Paula. She is an amazing counselor who is in it for the right reasons. She works hard each day to make sure our kids have everything they need. I mean everything- from food in their mouths to the right college choice. She does it all. Her heart is made of gold. I really appreciate everything that she has done for our school and for me! I hate that she is leaving. We are going to lose a huge asset! No one will be able to fill Paula's shoes! I wish her all the best.
-Kristina Moody

You will definitely be missed by all!!! You have been a rock for me and for so many others. We will never be able to find a replacement to fill your shoes. Thank you for all that you have done and continue to do. Although I too wish you would change your mind, I understand and support your decision. I know that their are others who are needing you even more than we do. Enjoy your mother and new grandchild!!! We will miss you, and we will be thinking of you often!!!
-Brandy Schruff

Ms. Bilbo is just beautiful inside and out. A "Natural Protector". She is wonderful with the students, and ever since my first day here at Bay High, I have felt like she has watched over me and helped me through all my "student and parent issues". Her advice and humor helped me though the "best of the worst" of times. Ha. She is one of the main people at this school who helped toughen me up. She was always there to remind me to stay assertive, direct, and positive. I am honored to call her my friend, and I can't deny I am still a little shocked about her decision to leave, although I totally understand and support her decision. You will always have a place in my heart, Ms. Bilbo
-Tarah Herbert

Ditto what everyone else is professing! I will never be able to hear the saying," Not my circus, not my monkeys" without thinking of our Paula Bilbo! Love you much, my dear and may God continue to bless you abundantly.
-Amy Richardson

Sista...sista...sista......mercy.....just going to act like you are on an extended vacation...and you will be back....you know we will all miss you.....great memories!!!
-Liz Bosarge

I agree with Liz. Paula is coming back. In fact, I remember saying goodbye to her once before! She'll be back...Well, we can all hope! Paula, you brighten everyone's day - that's why your office is always crammed with people! Thank you for all your help over the years. You will be missed!

Mark Johnson

Mr. B.H.S

I am the son of Richard and Peggy Johnson. I am the President of Student Government, a member of Spirit Club, and Alpha Honor Roll. I have been on the varsity soccer team for five years. In previous years, he has been chosen for the Sea Coast Echo All Region Football Team. In soccer, I played on the 2012 State Championship team. I am very honored to have been chosen to be Mr. Bay High.

What is your favorite memory from highschool?
My favorite memory is being able to be on the soccer field with my close friends.

Who has been your inspiration throughout highschool?
My inspiration has been all of my family, each one of them have a certain quality that I would like to have. My father is the hardest working man I know. His work ethic is truly amazing. My mom's level of patience is incredible, trust me. For my sibilings: Hannah's sense of humor, Joy's ability to persevere, Abby's obedience to God, Seth's unperturbed attitude, Paul's ability to lead others.

What was your biggest accomplishment in highschool?
Has yet to occur.

Addie Haas

Ms. B.H.S

Getting Ms. Bay High is the greatest honor anyone could receive. I am blessed to know my entire graduating class on a personal level and to be able to experience this award with Mark.

Thank you to all of my peers and teachers who have pushed me to never give up. Without my years at Bay High I would have never been able to make life-long friends and become the person I am.

What is your favorite memory from high school?

My favorite memory from high school is when I competed in the MHSAA dance competition and won the State Championship 3 consecutive years in both Kick and Jazz.

Who has been your inspiration throughout high school?

My inspiration throughout high school would be my family. They have pushed me every single year to always do my best, and to always strive for the impossible. Without them I would not be the person I am today.

What was your biggest accomplishment in high school?

Out of all of my accomplishments in high school, my acceptance into the Trent Lott Leadership Association at Ole Miss and receiving Ms. Bay High would be considered my greatest accomplishment.

Principals

Principal

Dr. Amy Coyne

Dr. Coyne is a graduate of Bay High School and a life-long Tiger. When asked what it means to her to lead this school as the principal she said, "I am blessed and grateful to be here at this great school as the principal. It gives me great pride to work with amazing faculty, staff, students, parents, and this community that I love so very much. I think of my favorite Margaret Mead quote often in my daily journeys here, 'Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.'" Dr. Coyne has held many titles in the Bay Waveland School District since 1999. These positions include cheerleading coach, assistant volleyball coach, teacher at the middle and high schools, vocational director, assistant principal at BHS, principal at Waveland Elementary, and presently the principal at Bay High School.

Assistant Principal

Ms. Shirley Prendergast

Even though Ms. Prendergast graduated from Picayune Memorial High School, she is still a Bay High Tiger at heart. She has been in the Bay Waveland School District for fifteen years. Mrs. P originated from a family of six, having four sisters and a brother. She has three sons, two of which are Bay High graduates. Her hobbies include reading and collecting owls. Her favorite movies are The Lost Boys and The Santa Clause. Mrs. Prendergast started her career at St. Claire as a fifth and sixth grade teacher. In 2000, she began teaching third grade at Waveland Elemetary. Following that, she was the principal of Crossroads Learning Center. Finally, she decided to come to Bay High. When she first arrived, she was the ITS. Now, she currenlty serves as the Assistant Principal of Bay High School.

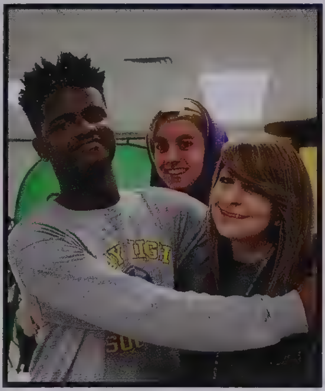
The day you're willing to veer off the lesson plan, follow a kids lead, and learn with your students is the day you really become a TEACHER.

District Teacher Of The Year

Tarah Herbert



A Bay High teacher for the past five years, Mrs. Herbert received her degree from USM in 2011. Since then, she has consistently achieved certification in computer graphics programs to stay current with quickly evolving technologies and to pass that knowledge on to her students. Mrs. Herbert teaches Digital Media Technology and Graphic Design courses, including overseeing the Tiger News Team. She has developed the team to be an almost completely student-run club, where students write, film, produce and present news stories daily for the school. She also sponsors various school clubs at Bay High and stays active and involved in campus life, a factor that's apparent when phrases like ‘she keeps the class positive”and ‘she works really hard at her job and is amazing at it”and ‘I'm always looking forward to her class”, come from her students.

Peers and administrators also note her professionalism and enthusiasm for teaching. Dr. Amy Coyne, Principal, said, ‘She inspires students, loves the school, bleeds blue and gold, instills pride in our children and the community, leads by example, never gives up, has a positive spirit and love for her children, works tirelessly and never, ever takes the smile off of her face. Mrs. Herbert has a love of learning, a great awareness of the connections needed to impact students and learning, influences student lives and uses life lessons and experiences as teachable moments.”Mrs. Herbert believes that Albert Einstein got it right when he said, ‘Everyone is a genius, but if you judge a fish by its ability to climb a tree, it will live its whole life believing it is stupid.”

‘Great teachers do not only teach the information in the book. Great teachers teach students to be proper human beings; they inspire, they encourage, and they support,”said Mrs. Herbert. ‘I believe that great teachers are like detectives. - constantly observing and discovering potential in students when the students themselves cannot see it.”

COMMUNITY COLLEGE

First Day Ba

Breaking the rule

When asking students why we start school on a Thursday almost every year we receive the following responses:

"To torture us!"
-Zach Heitzmann
"To get adjusted."
-Destiny Garcia
"To take two days away from our summer."
-Addie Haas
"To get the week over with."
-Savannah Gaillot
'So that we have the weekend to get our supplies."
-Grace Powell

Some reasons students enjoy coming back to school...

*To see friends and teachers that they never get to see over the summer
*To play my instrument in band (Isaiah Hill)
*To meet new friends
*To learn new things
*Math class
*To study new history
*To play sports and get back in shape
*

STEPPER PROMISE

When you commit to doing something, you make a promise to yourself. And when you break that promise out of laziness, discouragement, or fear, you are only cheating yourself. You are not "getting away with something." You are only getting away from your own potential. When you commit to making your dreams come true, that is the promise you simply decide to never ever break. It doesn't matter how many times you get discouraged, or exhausted, or frustrated, you just rememeber that you have not given yourself the option to quit. That is what commitment is-when the idea of never stopping your efforts simply doesn't exist. You have infinite patience and resilience because there is no other option. You have the ability to bare the pain and frustration because you must find a way to beat it. It doesn't mean it won't feel hard to press on- it might feel impossible and yet you still find a way to keep going. You simply always press on. At a certain point, all your effort, energy, and power is only directed towards your dream, and you no longer have to waste any energy on trying to motivate yourself to keep going. We commit.

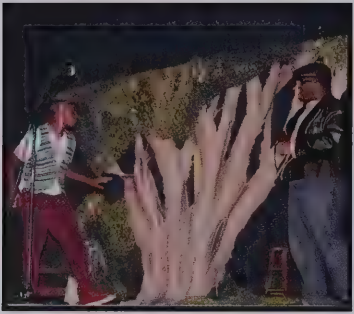
A Midsummer Night's Dream

-William Shakespeare

Featuring Our Very Own Metri Lyons

Metri says, " I joined the play to be able to do what I was most comfortable doing. It was such a fun experience as I got to meet new people who loved the same thing as me. Doing Shakespeare was a challenge I was willing to take, because I had never really appreciated his work until then. The play helped me further develop my social skills and also memorization skills as I had to learn the lines to perfect the play. It was more difficult because it was more than the normal language. Remembering to switch from rhyme to Blank verse was difficult but possible. It was such an awesome experience and I will continue to do them."



Veterans Day Ceremony

In November of 1919, President Wilso proclaimed November 11 as the first commemoration of Armistice Day wit the following words: "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it ha given America to show her sympathy with peace and justice in the councils of the nations…" Today we all know November 11th as Veterans Day. This year Bay High Air Force JROTC paid tribute to our country's veterans both past and present, who have selflessly served in the armed forces. While they have all sacrificed, some have made the ultimate sacrifice. MS-934 cadets honored First Lieutenant Robert Oneto-Sikorski for his selfless service to our great nation with a memorial brick in the Bay High School courtyard. Lieutenant Oneto-Sikorski was a resident of Hancock County, Mississippi.

We'll never be able to tell you
how very proud we are
I remember when you first started school
and look how far you've come.
The years will fly by
and the days will soon fade
but all of the memories you've given us
can never be taken away.
You'll always be our little girl
no matter how much you've grown
but now it's time for a new journey
that you will face on your own.
We'll always be here for you
no matter how far you go
we've told you this so many times

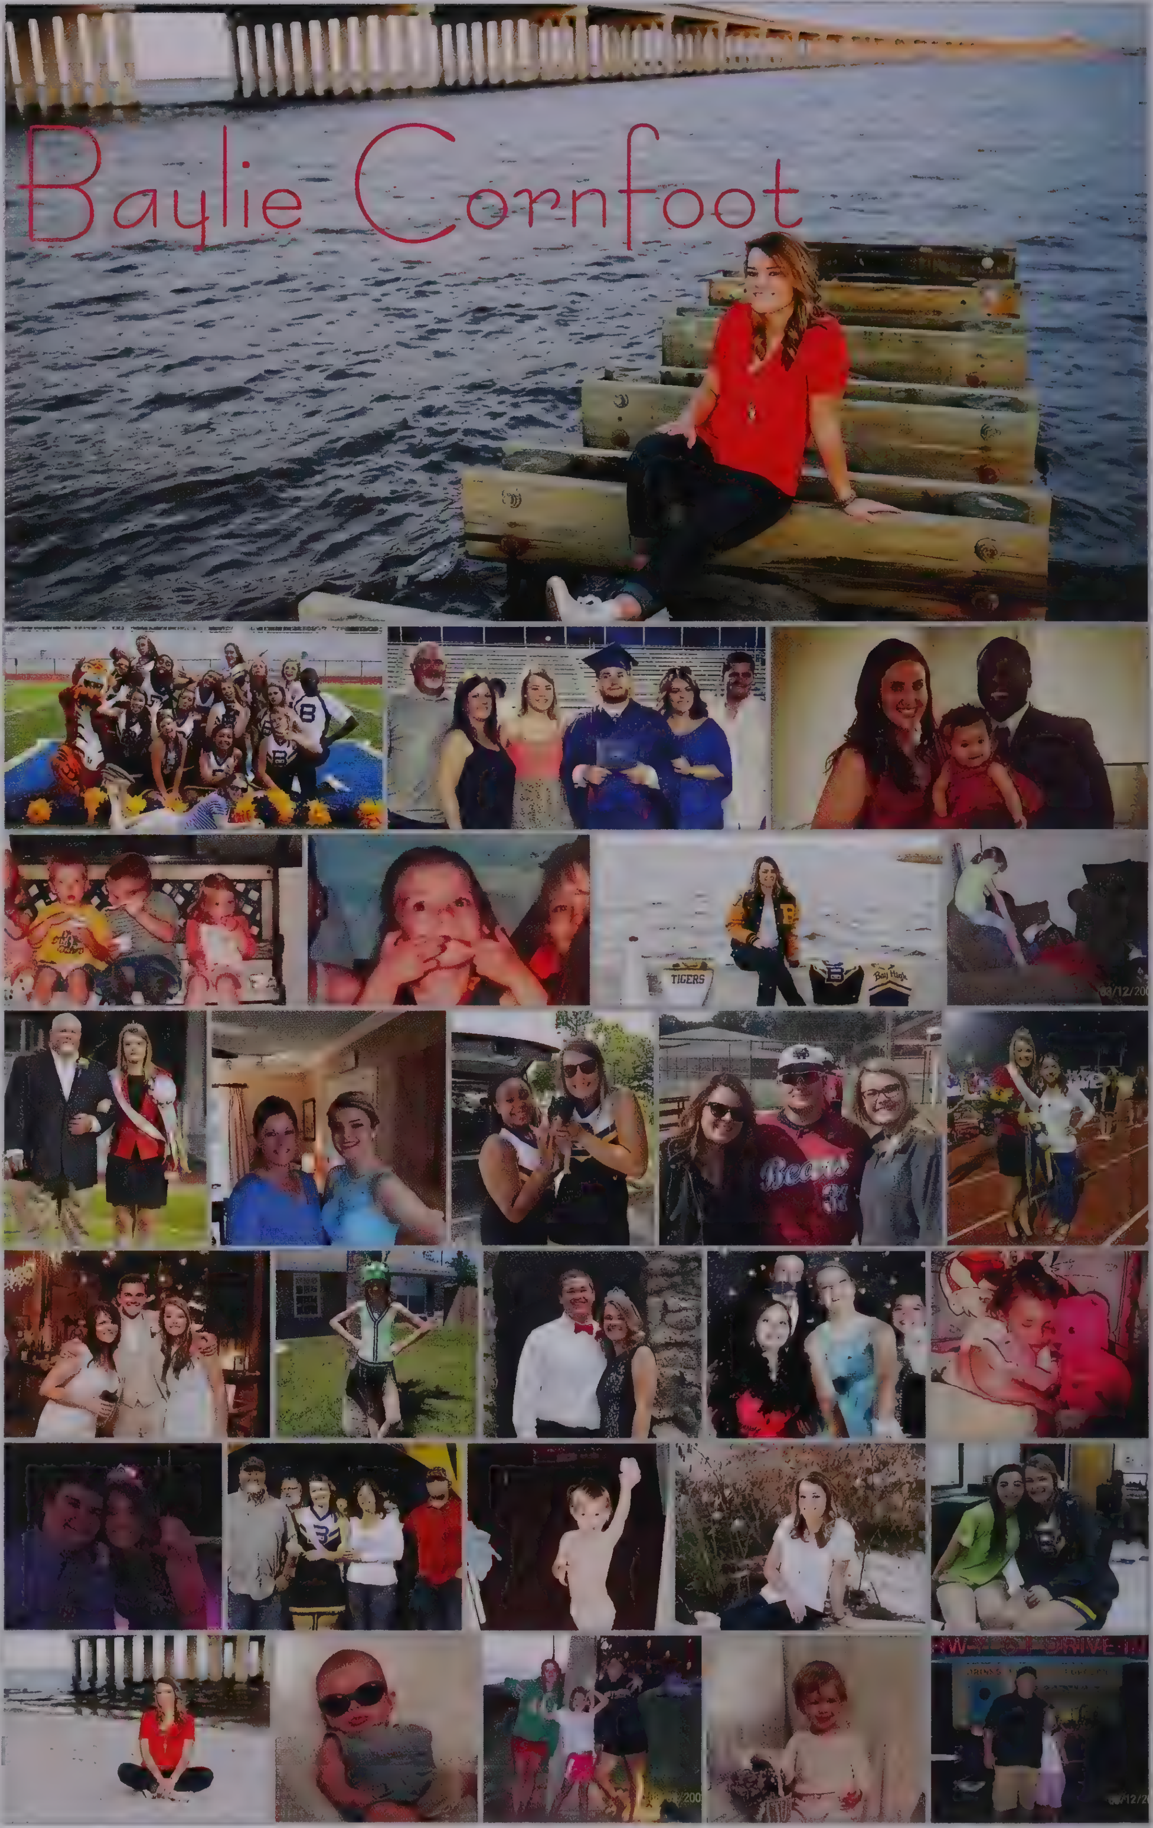
Baylie Cornfoot



Baylie – Where do we even start?!? There are so many reasons to be proud of you! You're beautiful, kind, smart, funny, loving, compassionate… the list goes on! You have become a beautiful young lady with great leadership skills and a tenacity for achieving your goals. When you set your mind to something you keep working until you reach your goal. You are someone others admire, respect and look up to; all reasons that contributed to being Cheer Captain and Homecoming Queen! You always keep us laughing with your quick wit and surprising comments… We're sure your teachers will miss that, too, being "the last Cornfoot"! Keep working hard, Baylie, never lose sight of your dreams and always enjoy the journey! We love you – Dad, Mom & Dunc

Baylie,

Don't tell anybody but I think you were the first one to challenge what I truly wanted in life. I was super focused on me and what I wanted to become. That's how I was until I would play with you, Duncan and Danna.

Somehow I forgot about me and worried more about you torturing me or watching Full House with you guys. I didn't realize it at the time but you were teaching me a valuable lesson. Happiness is as simple as you want it to be. Somehow, against MY will, you're a senior in high school and the world is at your feet. I encourage you to pursue what God has put on your heart and to not settle for less. If a little boy or girl wants to play with you or forces you to watch Full House, do it. You might learn more about yourself and what God truly has for you than you realized.

Love,
Scooter

Baylie, where has the time gone? It seems like just yesterday you were stealing all of my things and driving me crazy! You have turned into the most beautiful, strong, most extraordinary young woman. We are so proud of you for staying true to who you are. You are such an example to others. "You are clothed with strength and dignity and she laughs without fear of the future," Proverbs 31:25 We love you! Paul and Danna Overstreet

Miranda Dougherty

Miranda,
You are my angel! I can't believe how fast time has flown by. I remember getting you ready for your first day of headstart. You were the only kid who didn't cry that day, unlike me. I know you can handle whatever comes your way. You are strong. You are loving and caring, you're always trying to help others. You are courageous. I know you will succeed in everything you put your heart into. I thank you for the journey thus far and can't wait to see you on the rest of your journey to come! I am so proud to be your mommy! Your daddy would be so proud of you! I've always thanked God for my "angel with an attitude"!
-Love you, Mom and Nate!

Precious Baby Girl,
How fast the years have flown,
Blinked your eyes for a second,
And now you are all grown.

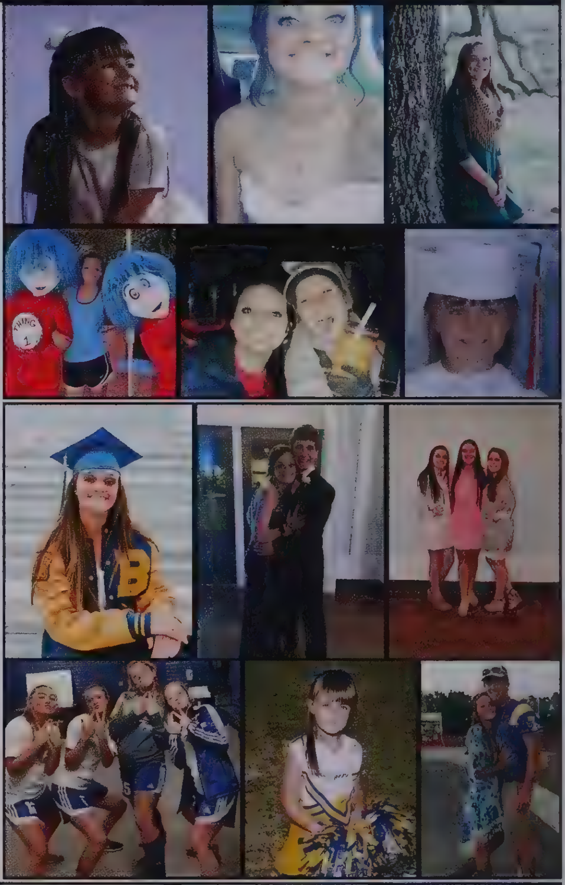
Your future is wide open,
The world is out in front,
It's time for you to go,
To show 'em what you got.

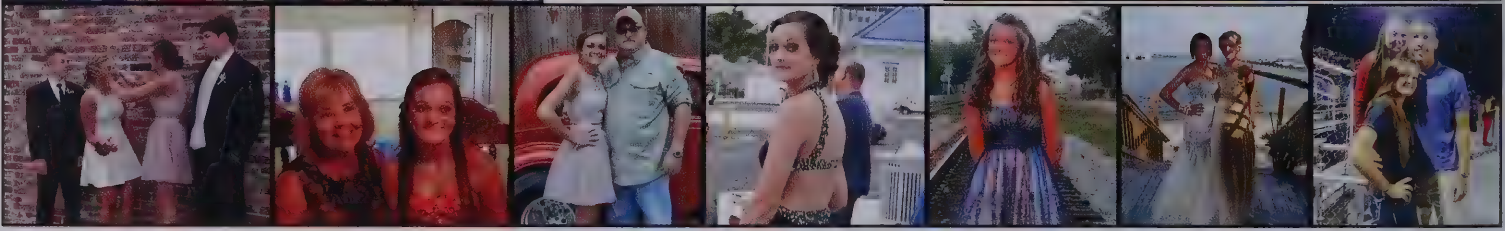
Sometimes you may trip,
Sometimes you will fall,
Don't ever think of giving up,
Give it your best-Give it your all.

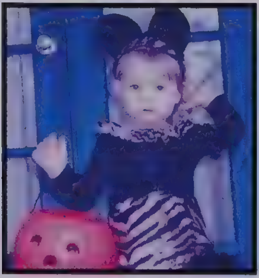
You will be the queen,
In whatever it is you do,
Remember-it's your dream,
Always stay true to you.

So beautiful, so strong,
So funny, so smart,
Always on our minds,
Always in our hearts.

We love you around the moon and back!







I was there when you were born and loved you so much then. I learned to love you more and more as you grew to be this beautiful, special young lady you are today. It has been an honor to help make this year's yearbook. There has never been a dull moment in the yearbook class. It makes me extremely sad to realize this is my last year at Bay High. I'm going to miss the entire senior class as well as the yearbook staff, especially Mrs. Davis. They have taught me a lot! I'm sad to leave them but excited to see what the future holds for everyone.
